|  |   |
|--|---|
| <p><a href="#">17/03139/FUL</a><br/>Full application for erection for two storey side extension single storey rear extension and new vehicle access<br/>177 St Marys Road<br/><b>Decision:</b> TTC does not support this application as the proposed vehicular access would interrupt the street scene and it would set a president with other properties. This is a very busy pathway with children and parents using it on a daily basis to get to and from school and it is also one of the main pathways to the town centre.</p> | <p><a href="#">17/03093/LBC</a><br/>Listed Building Consent for removal of external signage and night safe<br/>Lloyds Bank Plc, The Counting House, 10-12 Long Street<br/><b>Decision:</b> TTC supports the removal of the external signage and requested a caveat to keep the night safe as a heritage asset.</p>  |
| <p><a href="#">17/02907/FUL</a><br/>Full application for amendment to approved application 15/00525/FUL re-position of proposed dwelling amended to take into account position of existing sewer at<br/>Garage off Fox Hill<br/><b>Decision:</b> TTC supports this application</p>   | <p><a href="#">17/02917/FUL</a><br/>Full application for subdivision of flat 7 to create 2 studio flats with repositioned cycle parking spaces (Amendment to permission 14/05450/FUL)<br/>1 London Road<br/><b>Decision:</b> TTC does not support this application as we find the size of the rooms with all facilities for modern day living with no parking facilities unacceptable</p> |
